Final Reporting Instructions

1. **TRANSFER INSTRUCTIONS** All final payments will be sent to you via wire transfer. Your banking institution's transfer instructions must contain an issue date within the calendar year funds are requested, the bank name, account name, account number, routing number, and any additional instructions. Your internal instructions or voided checks will not be accepted.
2. **PROJECT DESCRIPTION AND EVALUATION** Describe the components of the project that were completed, from both the grantee and fellow perspective, and whether and how they differ from those proposed in the application. Evaluate whether the project as a whole and the individual components have been successful or helpful and why or why not.
3. **APPROVED PROJECT BUDGET** Submit a copy of the budget that was included with the signed grant agreement.
4. **ACTUAL EXPENSE WORKSHEET** The actual expense worksheet is a financial breakdown of your actual expenses to date and assists GOCO staff in locating corresponding financial documentation within your report. This is the same worksheet submitted for the End of Fiscal Year Requirements.

The Actual Expense Worksheet must:

- Be presented in the template provided by GOCO. It is available at www.goco.org.
- Track invoices in the order presented in the report.
- Account for every GOCO-eligible cost (including cash and in-kind match) associated with the project even though invoices and payment support for only the top 3 expenditures will be submitted.
- Include salary, taxes, and benefits for each staff person if staff time is included in the budget as GOCO or matching funds.
- Be signed off on by a representative of the grantee's or fiscal sponsor's finance department or the person who does the accounting for the organization.

Description of Actual Expense Worksheet Columns:

- Invoice/Receipt Code: Include a label that corresponds to the labeled invoices/receipts and in-kind statements provided in the report. Organize all invoices/receipts in the same order as presented on the worksheet.
- Expense Description: Include the provider name as it appears on the invoice/receipt and a brief description of the expense
- GOCO Cash: Indicate the amount of that invoice/receipt that will be paid for by your GOCO grant.
- Grantee Cash Match: Indicate the amount of that invoice paid for by the grantee.
- Grantee In-kind Match: Indicate the amount of in-kind match provided by the grantee.
- Partner Cash Match: Indicate the amount of that invoice paid for by sources other than the grantee. Include a column for each of the partners labeled with the name of each partner.
- Partner In-kind Match: Indicate the amount of in-kind match provided by sources other than the grantee. Include a column for each of the partners labeled with the name of each partner.
- Total: Indicate the total amount of the invoice/receipt.

Description of Actual Expense Worksheet Rows:

- Green: Indicate expenses incurred through June 30, 2022 (GOCO fiscal year 1)
 - Blue: Indicate expenses incurred between July 1, 2022 through June 30, 2023 (GOCO fiscal year 2)
 - Red: Indicate expenses incurred between July 1, 2023 through June 30, 2024 (GOCO fiscal year 3)
5. **INVOICES/RECEIPTS** Enclose copies of invoices/receipts and proof of payment for your top 3 cash during the final GOCO fiscal year in which project funds were spent (between July 1 and June 30). It is very important that all invoices/receipts are labeled to correspond with the "invoice/receipt code" on your Actual Expense Worksheet. Please include project-related expenses only. If necessary, identify project expenses from non-project expenses when an invoice or payment incorporates both.
 6. **IN-KIND DOCUMENTATION** To demonstrate in-kind contributions: 1) attach invoices or letters from the vendor or consultant identifying the value of the donated items or eligible volunteer time, and/or 2) include a written summary of the in-kind contributions. For labor, include a summary of how the value was obtained (number of hours, number of workers, rate per hour, etc.). For equipment, the invoice must include the number of hours it was used, the cost per hour, and a total. If a vendor provided a discount, the invoice that clearly notes that discount will suffice for documentation. Please label the in-kind breakdown(s) to correspond with the "invoice/receipt code" on the Expense Worksheet.
