Evolved Approach to Grantmaking & Engagement

Senate Bill 22-206 – OFFICE OF CLIMATE PREPAREDNESS

Development of Colorado Climate Preparedness Roadmap - This initiative will inform the state's new focused efforts around climate adaptation and preparedness.

AMERICA THE BEAUTIFUL

Metrics to evaluate progress toward achieving impactful conservation and climate resilience, and ensure Colorado competitiveness for federal funding.

OFFICE OF THE GOVERNOR

The Governor recognizes the gravity of the challenges our outdoors and natural systems face from climate change, population growth and increased demands on our most treasured resources. The Governor believes that Colorado will stand best to address these challenges by ensuring effective alignment and coordination amongst all of the state's efforts - from GOCO to Outdoor Regional Partnerships to the resources resulting from the Future Generations act and those that will come with the launch of the Keep Colorado Wild pass, among numerous other innovative and nation-leading initiatives.
