

MEMORANDUM

To: GOCO Finance Committee

From: Josh Tenneson, Deputy Director

Christy Reeves, Controller

Date: October 30, 2025

Re: Five-year Spending Plan Amendment (Fiscal Years 2026-2030)

Summary

This memorandum proposes an amendment to the GOCO board's five-year spending plan (FY 2026-2030) to align it with the actual FY 2026 GOCO proceeds cap, actual FY 2026 operating expenses, actual FY 2025 deauthorizations, and concurrent grant recommendations.

Background

The board approved the five-year spending plan for FY 2026–2030 at its March 2025 meeting through Resolution 2025-03 and amended the plan in September 2025 to support two CPW requests with reserve funds. The spending plan was intentionally designed to be dynamic, with the board anticipating periodic amendments each year to respond to partner needs and ensure GOCO's funding remains aligned with its current strategic plan.

The proposed amendment outlined in this memorandum incorporates:

- 1. the actual GOCO proceeds cap for FY 2026;
- 2. the board-approved FY 2026 operating expenses;
- 3. the actual FY 2025 Local Government deauthorizations; and
- 4. strategic adjustments to allocations within the Open Space Base Programs and the Regional Partnership Initiative.

Proposed Amendment to the 2026-2030 Spending Plan

The attached draft spending plan has been modified from the current approved plan in the following ways (see Attachment 1 for the current plan and Attachment 2 for the proposed amended plan):

- 1. Constitutional Cap Adjustment GOCO's share of lottery proceeds is capped by the Colorado Constitution based on the Consumer Price Index. For FY 2026, the cap is set at \$87,989,409, which is slightly lower than the amount projected when the spending plan was approved in March 2025. The FY 2026 cap amount shown in the spending plan is \$87,705,653, which is \$283,756 less than the constitutional cap of \$87,989,409. The difference reflects the Board's prior decision to move \$283,756 from FY 2026 to FY 2025 to accommodate a timing variance in the Generation Wild marketing campaign.
- 2. Operating Budget Adjustment Similar to the cap adjustment described above, the original spending plan included an estimated FY 2026 operating budget. The amended plan slightly

reduces operating expenses across all five years to align with the actual, board-approved FY 2026 operating budget.

3. Local Government Deauthorizations – The amended spending plan has been updated with actual FY 2025 Local Government purpose deauthorizations, which are now included in the FY 2026 reserve.

4. Programmatic Adjustments:

- a. Open Space Base Programs In the current grant cycle, GOCO received a couple of large land acquisition requests that represent significant conservation opportunities aligned with GOCO's strategic priorities and Colorado's Outdoors Strategy. One proposal represents a Centennial-scale opportunity in both cost and impact. Recognizing the opportunistic nature of such acquisitions and GOCO's continued prioritization of protecting lands of statewide significance, staff recommends investing the entire FY 2026 Open Space Base Program budget this cycle and allocating a portion of Open Space funds from future years (approximately \$500,000 per year) to support these high-impact projects. GOCO will continue to consider proposals for significant, urgent land acquisitions in FY 2026. If additional opportunities arise and advance to the board, staff may recommend reallocating funds from future years (as being proposed for this current cycle) or drawing from reserves.
- b. Regional Partnerships Initiative The board initially allocated \$2.5 million per purpose per year (a total of \$10 million annually) for the Regional Partnership Initiative, with the understanding that adjustments would be made each year based on actual grant outcomes. The amended spending plan updates allocations for FY 2026 and FY 2027 to reflect the current grant recommendations under consideration for the Regional Partnership Initiative.

Public Comment

The proposed amendment to the five-year spending plan will be available for public comment beginning November 7, 2025, with comments accepted through December 1, 2025.

Recommendation

Staff recommends the GOCO finance committee approve the five-year spending plan amendment and forward it to the board for consideration at the December 2025 board meeting.
